**Subject:** RE: SH Bell Follow-up monitoring information

Hello all:

There was a question from the group during our SH Bell call last week regarding which federal legislators had been contacted regarding the findings by EPA. EPA informed both Illinois Senators and Robin Kelly, the House Representative for the District where SH Bell is located.

We are still working on some of the other suggestions/requests made by community members.

Please let us know if you have any comments or questions.

Best,

Nicole Cantello
